# Total Solar Eclipse

**AUGUST 21, 2017**  
MOSS-WRIGHT PARK **9 AM - 4 PM**

DURATION OF TOTALITY  
**2 MIN 27 SEC**

The City of Goodlettsville, TN lies within the mere 70-mile wide path the eclipse will take across the United States of America. The eclipse will enter the U.S. in Oregon and exit North America in South Carolina. Goodlettsville will experience a total solar eclipse for just 14 seconds less than the maximum duration of totality possible. This is truly a once in a lifetime event, as the last total eclipse to come through this area was in 1478, and the next is projected to occur in about 550 years!
