PLEASANT GREEN POOL

Swim Team: Summer Swim Team Prep League is a six week long program focusing on preparing swimmers for competitive swimming. Athletes will be taught freestyle, backstroke, breast stroke, butterfly, flip turns, and diving under the watchful eye of a professional coach in preparation for one swim meet at the end of the season. A balance will be struck between instruction, practice, playfulness, and safety while cultivating a love for competitive swimming.

Requirements: All participants must be able to comfortably swim the length of the pool on their fronts and backs. Ages 5 and up are welcome to join. The coach will be available to test children prior to the start date. Please contact Coach Emily to make arrangements:
CoachEmilyBKhan@gmail.com

Practices will be held Monday - Thursday, June 10th-July 25th at Pleasant Green Pool from 5-6pm. The fee is \$185/participant and \$150 for each additional family member. Registration begins May 1st online at www.goodlettsvilleparks.com. There is no practice the week of July 4th.

Help eliminate MOSQUITOS by practicing the following:

- Drain standing water to eliminate mosquito breeding and egg laying(even in the smallest amount).
- Empty flower pots, pet water bowls and other containers after rain.
- Treat ponds with larvicide, turn over buckets and toys which may collect water.
- Unclog rain gutters and flush bird baths every 2-3 days. Fix leaky outdoor faucets.
- Remove used tires, clean and chlorinate swimming pools.
- Empty pools of standing water including kiddie pools , boats & pool covers.
- Fix damaged or torn windows and door screens.
- Apply insect repellants with DEET, Picaridin, or Oil of Lemon Eucalyptus. Limit times outdoors between dusk and dawn. If necessary, dress in long sleeves and pants.
- Encourage your neighbors to do the same.

BULK RUBBISH COLLECTION

The City of Goodlettsville provides free pickup of residential bulk rubbish.

Residential bulk rubbish is defined as items which, by their size and shape, cannot be readily placed in City of Goodlettsville approved containers.

Items are including but not limited to broken down boxes, furniture, bedding, etc. The City of Goodlettsville does not pick up chemicals, hazardous materials or construction waste generated by contactors.

You MUST place your items at the street and THEN you can call 615-851-2200 for your pickup. Pickup will be anywhere from 1-14 days. For further questions and information, please contact our Customer Service Center @ 615-851-2200.

RESIDENTIAL CHIPPER SERVICE

The City of Goodlettsville provides brush chipper service to assist residents who need to clear out or trim up brush, shrubs, small trees, etc. There is no additional cost for this pickup service.

We do NOT schedule pick up service since they run a continuous route all month long. It may be 2-4 weeks before they can pick up your brush.

All brush must be placed at curbside or street side adjacent to the front property line away from any item which could be damaged by collection equipment. The brush must be neatly stacked in an un-scattered manner and free of any debris (e.g., bagged yard waste, wire, plastic, concrete, metal, nails, etc.) in order to be picked up.

If you are a business in Goodlettsville, interested in seeing our city grow or an organization whose purpose is to help our community and you want to know why becoming involved in Rachel's Garden would be your answer, contact us at 615-851-2245 or email kreeves@goodlettsville.gov.

Rachel's Garden is a project of the Goodlettsville Fire Department's Kids Christmas Charity and we are working to install a beautiful all accessible play ground for the City of Goodlettsville at Peay Park.
