

## Community Advisory Panel Minutes

**Date:** Thursday November 15, 2018

**Time:** 9 a.m.

**Adjourned:** 10:30 a.m.

**Place:** 105 S. Main Street, Goodlettsville, TN. 37072

**Present:** Warren Garrett, Andy Garrett, Beverly Goodwin, Rose Baker, Greg Edrington, Hannah Stone, Mike Bertotti.

### **Community Advisory Panel Presentation:**

1. Upon review of the current website and design, Rose requested that we provide cascade of sections for Commercial and residential information under Construction. This has been forwarded on to Allison for future review and implementation. It may not happen until January 2019.
2. The quarterly newsletter was finalized for the first production in January 2019. The cost was lower than expected, instead of \$547.81, it will be \$463.04 per quarter." The attached flier is an 8.5x11 color/simplex. The quote for 5750 copies of a color/simplex tri-fold insert is \$463.04."
3. TNSA Conference successes was briefly discussed; Beverly would like to be informed of possible attendance as co-presenter with myself next year. I will see what we can do to make this happen.
4. Everyone is invited to the December 12 MTSG meeting since we will not be meeting here in December. The MTSG meeting will be a Christmas Luncheon only to encourage fellowship within our groups. Please watch the MTSG agenda on the week of December 3, 2018 for further details. We will be taking up a donation of monies to provide via Gina Hutson, to the Nashville Rescue Mission.
5. We want to thank you all for the continued support of this panel. Please have a safe and wonderful Thanksgiving.

**We thank you all very much for your contribution to our meeting event as well as our communities!**

---

We hope everyone gained some valuable information from today's meeting, thanks to everyone for the great interaction!

This information will be available on our Mid Tennessee Stormwater Facebook page.

- **Next Meeting:** Thursday, January 17, 2018

(Details on next Agenda)

***Respectfully submitted,***

***W. Garrett***

***Stormwater Coordinator/Goodlettsville TN.***

***Forming Partnerships***

***Operators of regulated small MS4s are encouraged to utilize partnerships with other governmental entities to fulfill this minimum control measure's requirement. It is generally more cost-effective to use an existing program, or to develop a new regional or state-wide education program, than to have numerous operators developing their own local programs. Operators also are encouraged to seek assistance from non-governmental organizations (e.g., environmental, civic, and industrial organizations), since many already have educational materials and perform outreach activities.***
