You may want to bring your own camera as well for special shots around the area set up specifically for this day.

Winter Holiday Fire Facts

Courtesy of Goodlettsville Fire Department

Electrical distribution or lighting equipment was involved in more than two of every five (44%) home Christmas tree fires. Two of every five (39%) home Christmas tree fires started in the living room. Five percent were chimney or flue fires. One-fifth (21%) of the decoration fires started in the kitchen, 15% started in the living room, family room or den. Almost three of every five (57%) December home decoration fires were started by candles, compared to one-third (32%) in January to November. Merry Christmas! Stay Safe!
