Each Zumba class is designed to bring people together to sweat it on. We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie burning dance fitness party. Once the Latin and World rhythm take over, you'll see why Zumba Fitness classes are often called exercise in disguise. A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.
