¹This compilation includes chapters 18--29 of Title 6, Tennessee Code Annotated, which contain the basic organizational provisions for this form of government, as amended. IMPORTANT NOTE: There are many other general laws affecting municipalities organized under this charter which have been omitted from this compilation because they apply to all municipalities. These are found in various parts of the Tennessee Code Annotated. This compilation has been amended to reflect legislation passed in the 2008 session of the Tennessee General Assembly.

6-18-101. Definitions.--(a) The words "city" in chapters 18 to 23, inclusive, of this title shall refer to any city which may adopt the provisions of these chapters, and the word "county" shall refer to the county in which any such city is located.

(b) Whenever the "county election commission" is referred to in chapters 18 through 23 of this title, it means the county election commission of the county in which the territory proposed to be incorporated or the municipality is situated. If the territory proposed to be incorporated or the municipality includes parts of two (2) or more counties, it means the county election commission in each of such counties and they shall act jointly in performing the functions required of county election commissions in chapters 18 through 23 of this title. [Acts 1921, ch. 173, art. 22, § 1; Shan. Supp., § 1997a244; Code 1932, § 3642; Acts 1977, ch. 300, § 1; T.C.A. (orig. ed.), § 6-1801.]

6-18-102. Construction of chapters 18 to 23.--In the construction of any portion of chapters 18 to 23, inclusive, of this title whose meaning or application is in dispute, it is intended that its phraseology shall be liberally construed to effect the substantial objects of these chapters. [Acts 1921, ch. 173, art. 22, § 2; Shan. Supp., § 1997a245; Code 1932, § 3643; T.C.A. (orig. ed.), § 6-1802.]

6-18-103. Right to adopt city manager form--Incorporation within specified distances from existing cities.--(a) The residents of any incorporated municipality or of any territory which it is desired to incorporate shall have the right to adopt the provisions of chapters 18 to 22, inclusive, of this title in the manner herein provided; and thereupon such city or territory shall be and become incorporated and be governed as herein set forth. No unincorporated territory shall be incorporated under the provisions of chapters 18 to 22, inclusive, of this title unless such territory contains not less than fifteen hundred (1500) persons, who shall be actual residents of the territory, and shall also contain real estate included in the territory worth not less than five thousand dollars (\$5,000).

No unincorporated territory shall be allowed to hold a referendum on the question of whether or not to incorporate under this charter until a plan of services is documented setting forth the identification and projected timing of municipal services proposed to be provided and the revenue from purely local sources to be payable annually. The plan of services shall be attached to the petition to incorporate when such petition is filed with the county election commission. The plan of services shall include, but not be limited to: police protection, fire protection, water service, sanitary sewage system, solid waste disposal, road and street construction and repair, recreational facilities, a proposed five-year operational budget, including projected revenues and expenditures, and the revenue from purely local sources to be payable annually. Municipalities that are first incorporated on or after July 1, 1993, that produce no local own source revenues in any fiscal year shall not receive any state-shared revenues during the next fiscal year.

Prior to filing the petition with the county election commission, a public hearing on the referendum on the question of whether or not to incorporate under this charter and plan of services shall be conducted. The public hearing shall be advertised in a newspaper of general circulation for two (2) consecutive weeks.

(b) No unincorporated territory shall be incorporated within three (3) miles of an existing municipality or within five (5) miles of an existing municipality of one hundred thousand (100,000) or more in population, according to the latest census certified by the State Planning Office. "Existing municipality" and "existing municipality of one hundred thousand (100,000) or more in population" do not include any county with a metropolitan form of government with a population of one hundred thousand (100,000) or more according to the latest census certified by the State Planning Office.

(c),(d) [Deleted by 1995 amendment.]

(e) Notwithstanding the provisions of subsection (a) or (b) to the contrary, a territory may be incorporated if the following conditions are fulfilled:

(1) the territory contains two hundred twenty-five (225) residents or more;

(2) the territory is composed of property which is sixteen hundred (1600) feet or more above sea level on the western border of the territory and contiguous with a county boundary on the eastern border of the territory;

(3) the territory is located within an area which is bordered on the west, north and east by the Tennessee River and on the south by the border between Tennessee and another State; and

(4) the territory is located within a metropolitan statistical area.

(f)(1) Notwithstanding the preceding provisions of this section to the contrary, a territory may be incorporated that meets the following conditions:

(A) the territory contains three hundred (300) residents or more;

(B) the territory's western boundary is contiguous with the western boundary of the county in which it is located;

(C) the territory is located within an area bordered on the north by the Loosahatchie River, on the south of the Wolf River;

(D) the territory's eastern boundary is approximately parallel with the western boundary, but in no place is more than eight (8) miles from the western boundary; and

(E) the territory is located within a metropolitan statistical area.

(2) The territory described in this subsection may incorporate notwithstanding the provisions and restrictions in §§ 6-18-103(a) and (b).

(g) Notwithstanding the requirements of § 6-18-104, or any other provision of law to the contrary, the petition for incorporation of the territory described in this subsection may consist of a letter from a resident of the territory desiring to incorporate to the county election commission requesting that the question of incorporating the territory be placed on the ballot. The letter shall describe the exact boundaries of the proposed municipality, indicate the name of the proposed municipality, and indicate under which charter the territory desires to incorporate. The letter shall be treated as a petition meeting all the requirements of law.

(h)(1) Notwithstanding any provision of law to the contrary, whenever the governing body of any existing city affected by this section, by a resolution adopted by a majority vote of its governing body, indicates that it has no interest in annexing the property to be incorporated, and when a certified copy of such resolution and a petition requesting that an incorporation election be held are filed with the county election commission, then the proceedings shall continue as provided in this chapter as though the proposed new incorporation were not within the specified distance of such existing city as provided in this section.

(2) The provisions of this act shall only apply in counties having a population of not less than 80,000 nor more than 83,000 according to the 1990 federal census or any subsequent federal census; provided, that in any adjoining county an existing municipality that is within the specified distance may also use the procedure authorized by this subsection. [Acts 1921, ch. 173, art. 1, § 1; Shan. Supp., § 1997a120; Code 1932, § 3517; Acts 1955, ch. 7, § 1; 1957, ch. 347,

6-18-104. Election to adopt city manager form.--(a) An election for the purpose of determining whether or not chapters 18-22 of this title shall become effective for any city shall be included on the ballot at the next election, as defined in § 2-1-104, by the county election commission upon the request or petition in writing of thirty-three and one-third percent (33 1/3%) of the registered voters of the city or territory, which petition shall state therein in a sufficient manner the boundaries of the proposed municipal corporation, which may be done by a general reference to the boundaries then existing if there is one. The county election commission shall, in addition to all other notices required by law, publish one (1) notice of the election in a newspaper of general circulation within the territory of the city or of the proposed city and post the notice in at least ten (10) places in the territory.

(b) At any time not less than thirty (30) days prior to the election provided for herein, the request or petition may be withdrawn or may be amended to call for a smaller territory for the proposed municipal corporation so long as all of the proposed smaller territory is contained within the boundaries of the territory described in the first petition or request. The withdrawal or amendment shall be valid if filed with the county election commission in writing and executed by twenty percent (20%) of the number of the registered voters voting at the last election within the boundaries of the territory described in the original request or petition, and if signed by not less than fifty-one percent (51%) of those who signed the original request or petition. In the event such an amended request or petition is filed, all provisions relating to time periods in § 6-18-103 shall be controlled by the date of the filing of the original petition, notwithstanding the filing of the amended request or petition, and the county election commission shall publish the notice of the election as provided for herein. A petition for request to withdraw, when filed with and validated by the county election commission, shall render the original request or petition null and void.

(c) Following the defeat of an incorporation in an election held pursuant to this section, no new request for petition for an election may be filed until after the expiration of four (4) years. Provided, however, that if the territory included in the boundaries of the newly proposed municipal corporation includes less than fifty percent (50%) of the territory subject to incorporation in such previous election and if the territory subject to incorporation in such election comprises less than fifty percent (50%) of the territory included in the boundaries of the newly proposed municipal corporation, the four (4) year waiting period shall not be required.

(d)(1) If a proposal to incorporate a territory is defeated in an election held pursuant to this section by a number of negative votes comprising more

than sixty percent (60%) of the persons voting, no further incorporation election shall be held for a period of four (4) years from the previous election unless the conditions established in subsection (c) are met.

(2) If a proposal to incorporate a territory is defeated in an election held pursuant to this section by a number of negative votes comprising less than sixty percent (60%) of the persons voting, no further incorporation election shall be held for a period of two (2) years from the previous election unless the conditions established in subsection (c) are met. [Acts 1921, ch. 173, art. 1, § 3; Shan. Supp., § 1997a122; Code 1932, § 3519; modified; Acts 1972, ch. 740, § 4(26); T.C.A. (orig. ed.), § 6-1804; Acts 1980, ch. 778, § 1; 1983, ch. 33, §§ 3, 4; 1989, ch. 175, § 1.]

6-18-105. Registration of voters--Qualifications to vote--Certification of result.--(a) The county election commission shall use such methods authorized by title 2 as it judges necessary to facilitate registration before the election.

(b) All registered voters of the city or of the territory of the proposed city are eligible to vote in the election.

(c) The county election commission shall determine and declare the results of the election and shall certify the results within forty-eight (48) hours after it completes its duties under § 2-8-105(3). It shall publish the certificate in a newspaper of general circulation in the city or territory and if the city is already incorporated, shall file the certificate with the city council or other legislative body of the city at its first meeting after the certification. The certificate shall be entered at large on the minutes of the body with which it is filed. [Acts 1921, ch. 173, art. 1, § 4; Shan. Supp., § 1997a123; Code 1932, § 3520; modified; Acts 1972, ch. 740, § 4(27); T.C.A. (orig. ed.), § 6-1805.]

6-18-106. Effect of favorable vote.--If it shall thereupon be found that the majority of the votes cast are in favor of the adoption of chapters 18 to 23, inclusive, of this title it shall be deemed to have been adopted. Except for the provisions of chapters 18-22 of this title that are adopted by reference in other municipal charters, the provisions of chapters 18-22 of this title apply only to those cities that have adopted chapters 18-22 of this title by referendum as authorized by law. [Acts 1921, ch. 173, art. 1, § 5; Shan. Supp., § 1997a124; Code 1932, § 3521; T.C.A. (orig. ed.), § 6-1806; Acts 1983, ch. 33, § 5; Acts 1995, ch. 13, § 7.]

6-18-107. Succession to old corporation.--(a) Chapters 18 to 23, inclusive, of this title shall take effect in any city immediately after the election and organization of the first board of commissioners provided for herein, and thereupon any then existing charter of such city shall immediately become abrogated and null; provided, however, that the right, title and ownership of all property of the city and all of its uncollected taxes, dues, claims, judgments, and

chooses in action, and all of its rights of every kind whatsoever, shall immediately become vested in the corporation so chartered under these chapters; and the new corporation shall answer and be liable for all debts, contracts, and obligations of the corporation which it succeeds in the same manner and proportion and to the same extent as the former corporation was liable under existing laws; and provided further, that all ordinances, laws, resolutions, and bylaws duly enacted and in force under the preexisting charter and not inconsistent with the provisions of chapters 18 to 23, inclusive, of this title shall remain in full force until repealed, modified, or amended as herein provided.

(b) The zoning ordinance duly enacted and in force in any county shall apply to any unincorporated territory in the county incorporated under the provisions of chapters 18 through 23, inclusive, of this title, until such incorporated city shall duly enact zoning ordinances, or for a period of six (6) months from the date the first board of commissioners shall take their respective offices, whichever occurs first. [Acts 1921, ch. 173, art. 1, § 2; Shan. Supp., § 1997a121; Code 1932, § 3518; Acts 1973, ch. 14, § 1; T.C.A. (orig. ed.), § 6-1807.]

6-18-108. Surrender of charter.--(a) After the adoption of this charter and the election of the commissioners, a majority of whom are elected for a period of four (4) years as hereinafter provided, no election for the surrender of this charter shall be called or held for a period of four (4) years from the date the first board of commissioners shall take their respective offices.

(b) After the expiration of the four (4) year period and upon the filing of a petition in the same manner as provided for the adoption of chapters 18 through 23, inclusive, of this title, containing the signatures of the same number of registered voters and praying for a surrender of such charter, an election shall be held to determine whether or not the same shall be surrendered, provided that in case of a failure to surrender such charter, election shall not be held more frequently than at two (2) year intervals thereafter, and provided further, that for a period of four (4) years after the first board of commissioners shall take office, the cost of calling and holding such an election shall be borne by those petitioning therefor, if such election does not result in a surrender of this form of charter. Should such election, however, result in a surrender, the cost of such election shall be borne by the city and following the expiration of such four (4) year period the cost of such election shall be borne by the city. [Acts 1951, ch. 92, § 1; 1972, ch. 740, § 4(28); T.C.A. (orig. ed.), § 6-1808.]

6-18-109. Conduct of surrender election.--The county election commission has the same duties with respect to an election for the surrender of a charter as it has with respect to an election to adopt a charter under this title. Any registered voter of the city may vote in the election. [Acts 1951, ch. 92, § 1; modified; Acts 1972, ch. 740, § 4(29); T.C.A. (orig. ed.), § 6-1809.]

6-18-110. Termination of charter--New charter.--If a majority of the votes cast in the election herein provided shall favor the termination of such form of government the provisions of such charter shall terminate at 12:01 a.m. on the sixtieth (60th) day next following the date of such election unless the same falls upon Sunday, in which case it shall terminate at 12:01 a.m. on the next day. If previous to the adoption of this form of charter such city or town functions under a different charter, thereupon such prior charter shall become effective at the time above mentioned, and territory previously unincorporated shall revert to that status; provided, however, that if by law in the case of unincorporated territory another charter may be adopted by vote of the electors, the question as to whether or not such other form of charter shall be adopted may be placed upon the ballots to be used in the election herein mentioned, if the petition filed requests the same, and if all other necessary legal steps to adopt such other form of charter have been taken prior thereto. [Acts 1951, ch. 92, § 1; T.C.A. (orig. ed.), § 6-1810.]

6-18-111. Election of new officers after surrender of charter.--In case there shall be a previously incorporated city or if a new charter shall be adopted as provided herein, the county election commission shall call an election not less than forty (40) days nor more than fifty (50) days following the election for surrender of the charters provided herein, at which time municipal officials for the newly adopted form of government shall be chosen who shall take office upon the date fixed for the termination of the previous charter. The qualifying deadline for filing nominating petitions shall be noon of the sixth Thursday before the election. All registered voters of the municipality may vote in the election. [Acts 1951, ch. 92, § 1; modified; Acts 1972, ch. 740, § 4(30); T.C.A. (orig. ed.), § 6-1811.]

6-18-112. Succession to assets and liabilities after surrender of charter.--In case of a reversion to a former form of charter or adoption of a new one simultaneously with the surrender of the old, all assets, liabilities and obligations of such city shall become such of the new municipality, and in the event that a city shall revert to an unincorporated status, the governing body of such city thereupon shall become trustees of the property and funds of such former city and under such bonds as may be required by the county legislative body, shall proceed to terminate the affairs of the city and dispose of its property. [Acts 1951, ch. 92, § 1; impl. am. Acts 1978, ch. 934, §§ 7,36; T.C.A. (orig. ed.), § 6-1812.]

6-18-113. Liquidation of affairs.--Should the property and funds be more than sufficient to meet the city's obligations, the surplus shall be paid into the treasury of the county to become a part of its general fund. Should the property and funds be insufficient to meet all the city's current obligations, the

county legislative body is hereby authorized to levy and collect taxes upon the property within the boundaries of the former city and to pay same over to the trustees for the purpose of meeting such current deficit. The trustees shall terminate the affairs of the city as soon as possible, but in no event shall the trusteeship continue for more than thirty-six (36) months. Any matters, including obligations maturing after thirty-six (36) months, not disposed of within the period herein designated shall become the responsibility of the county legislative body of the county wherein the city is located. [Acts 1951, ch. 92, § 1; impl. am. Acts 1978, ch. 934, §§ 7, 36; T.C.A. (orig. ed.), § 6-1813.]

6-18-114. New incorporations--situs based taxes.--

(a) Notwithstanding any other provision of law to the contrary, whenever a new municipality incorporates under any form of charter, the county or counties in which the new municipality is located shall continue to receive the revenue from all state and local taxes distributed on the basis of situs of collection, generated within the newly incorporated area, until July 1 following the incorporation, unless the incorporation takes effect on July 1.

(b) If the incorporation takes effect on July 1, then the municipality shall begin receiving revenue from such taxes generated within its corporate boundaries for the period beginning July 1.

(c) Whenever a municipality incorporates, the municipality shall notify the Department of Revenue of such incorporation prior to the incorporation becoming effective for the purpose of tax administration.

(d) Such taxes shall include the local sales tax authorized in § 67-6-103, the income tax on dividends authorized in § 67-2-102, and all other such taxes distributed to counties and municipalities based on the situs of their collection. [Acts 1998, ch. 651, § 2.]

(30) Establish schools, determine the necessary boards, officers, and teachers required therefor, and fix their compensation, to purchase or otherwise acquire land for schoolhouses, playgrounds and other purposes connected with the schools; to purchase or erect all necessary buildings and to do all other acts necessary to establish, maintain, and operate a complete educational system within the city;

(31) Regulate, tax, license or suppress the keeping or going at large of animals within the city; to impound the same and in default of redemption to sell or kill the same;

(32) Call elections as hereinafter provided; and

(33) Have and exercise all powers which now or hereafter it would be competent for this charter specifically to enumerate, as fully and completely as though such powers were specifically enumerated herein. [Acts 1921, ch. 173, art. 3, § 1; Shan. Supp., § 1997a131; Code 1932, § 3528; Acts 1972, ch. 740, § 4(31); 1977, ch. 344, § 1; T.C.A. (orig. ed.), § 6-1901; Acts 1989, ch. 175, § 3; Acts 1995, ch. 13, §§ 8, 9.]

6-19-102. Enumeration of powers not exclusive.--The enumeration of particular powers in this charter is not exclusive of others, nor restrictive of general words or phrases granting powers, nor shall a grant or failure to grant power in this chapter impair a power granted in any other part of this charter and whether powers, objects, or purposes are expressed, conjunctively or disjunctively, they shall be construed so as to permit the city to exercise freely any one (1) or more such powers as to any one (1) or more such objects for any one (1) or more such purposes. [Acts 1921, ch. 173, art. 3, § 2; Shan. Supp., § 1997a132; Code 1932, § 3529; T.C.A. (orig. ed.), § 6-1902.]

6-19-104. Purchasing and contract procedures.--(a) The city manager shall be responsible for all city purchasing, but he may delegate the duty to make purchases to any subordinate appointed by him.

(b) Competitive prices for all purchases and public improvements shall be obtained whenever practicable and in accordance with regulations established by ordinance, and the purchase made from or the contract awarded to the lowest and best bidder; provided, that the city may reject any and all bids.

(c) Formal sealed bids shall be obtained in all transactions involving the expenditure of an amount to be set by ordinance. The amount set shall be equal to or greater than the amount set in chapter 56, part 3 of this title, but may not be greater than ten thousand dollars (\$10,000). The transaction shall be evidenced by written contract. In cases where the board indicates by unanimous resolution of those present at the meeting, based upon the written recommendation of the manager, that it is clearly to the advantage of the city not to contract with competitive bidding, it may authorize noncompetitive contracts.

(d) The city manager may reject all bids and authorize the making of public improvements or accomplishment of any other city work by any city department.

(e) Purchasing and contract procedures not prescribed by this charter or other law may be established by ordinance.

(f) The board of commissioners may by ordinance delegate to the city manager the authority to enter into binding contracts on behalf of the city, without specific board approval, in routine matters and matters having insubstantial long-term consequences. The ordinance shall enumerate the types of matters to which the city manager's authority extends and may place other limitations on the city manager's authority under this subsection. As used in this subsection, "routine matters and matters having insubstantial long-term consequences" means any contract for which expenditures during the fiscal year will be less than ten thousand dollars (\$10,000). Part 1--Election of Commissioners

6-20-101. Number and terms of commissioners--Districts.--(a) In all cities that adopt the provisions of chapters 18-23 of this title, commissioners as herein provided for shall be elected in the manner herein prescribed.

(b) If such city or territory has a population of five thousand (5,000) or over by the last federal census, there shall be elected at the first election five (5) commissioners, the three (3) receiving the highest number of votes to hold for four (4) years, and the other two (2) for two (2) years; and, if such city or territory has a population of less than five thousand (5,000) by the last federal census, there shall be elected at the first election three (3) commissioners, the two (2) receiving the highest number of votes to hold for four (4) years and the third for two (2) years; and the term of all commissioners thereafter elected shall be for four (4) years, or until their successors are elected and qualified. Provided, however, that any such city which has a population of not less than two thousand nine hundred twenty (2,920) nor more than two thousand nine hundred twenty-two (2,922) according to the federal census of 1960 or any subsequent federal census, five (5) commissioners shall be elected as provided for above for cities of more than five thousand (5,000) population. The deadline for filing nominating petitions for the first commissioners is thirty-five (35) days before the incorporation election.

(c) Any city having a population of less than five thousand (5,000) shall have the option of increasing the number of commissioners to five (5) by ordinance. In the next regular city election after the adoption of such an ordinance, voters shall be entitled to vote for three (3) commissioners, or four (4) commissioners as the case may be, and at the same election the approval of the ordinance shall also be submitted to the voters. If a majority of those voting on the ordinance shall be for approval and the number of commissioners to be elected is three (3), the two (2) receiving the highest number of votes shall hold office for four (4) years, and the third for two (2) years. If the number of commissioners to be elected is four (4), the two (2) receiving the highest number of votes shall hold office for four (4) years, and the other two (2) for two (2) years. The terms of all commissioners thereafter elected shall be for four (4) years, or until their successors are elected and qualified. An ordinance approved by the voters may not be repealed or amended. If a majority of those voting on the ordinance shall not be for approval, the ordinance shall be null and void, and the results of the election shall be certified as though the election were for one (1) commissioner, or two (2) commissioners as the case may be, and as though no ordinance had been adopted.

(d) An ordinance increasing the number of commissioners to five (5) may also be submitted to the voters in an election on the question which the board of commissioners directs the county election commission to hold. At such election voters shall be entitled to vote for two (2) commissioners to serve until the next regular city election. If a majority of those voting on the ordinance

shall be for approval, the two (2) candidates for commissioner receiving the highest number of votes shall be declared elected. At the next regular city election if the number of commissioners to be elected is four (4), the three (3) receiving the highest number of votes shall hold office for four (4) years, and the fourth for two (2) years; if the number of commissioners to be elected is three (3), they shall hold office for four (4) years. The terms of all commissioners thereafter elected shall be for four (4) years, or until their successors are elected and qualified. If a majority of those voting on the ordinance in the special election shall not be for approval, the ordinance and the election of the two (2) commissioners shall be null and void.

(e) Notwithstanding the provisions of subsections (a)-(d), a city with a population of not less than six hundred (600) nor more than six hundred twenty-five (625) persons according to the 1980 federal census or any subsequent federal census, located in a county with a population in excess of seven hundred thousand (700,000) persons also according to the 1980 federal census or any subsequent federal census, shall elect all commissioners at one (1) time for a four-year term so that the city may be spared the expense of conducting elections every two (2) years. In order to effectuate this provision, all commissioners to be elected at the 1983 election shall be elected to a two-year term only, to serve until the 1985 election at which time, and every four (4) years thereafter, all commissioners shall be elected to four-year terms. The provisions of this subsection shall have no effect unless approved by a two-thirds (2/3) vote of the governing body of any municipality to which it may apply.

(f) Cities which have adopted § 6-20-201(a)(3) to provide for popular election of the mayor shall have two (2) or four (4) commissioners as the case may be under subsection (b) or (c).

(g) Notwithstanding the provisions of subsections (a)-(f), any city incorporated under or adopting this charter may, by ordinance, choose to elect the members of the board of commissioners by district. If the board chooses to elect commissioners by district, the board shall by ordinance create contiguous single-member districts equal to the number of commissioners. The districts shall be equitably apportioned according to population. The establishment of the districts and the fixing of their boundaries shall be accomplished not less than twelve (12) months prior to the regular city election at which commissioners are to be elected, and any change in district boundaries shall also be accomplished within this time limitation. The board shall within ten (10) years from the initial establishment of districts, and at least once in every ten (10) years thereafter, reapportion the districts so that the apportionment shall comply with the requirements of this section. One (1) commissioner shall be elected from each district of the city. The ordinance providing that the commissioners will be chosen by districts may provide that each district commissioner will be elected by the voters of the city at-large or by only the voters of the district. A person must reside in a district to run for or hold the office of commissioner from that district. The ordinance providing that

commissioners will be chosen by district may also provide for transition provisions, including increasing the terms of the number of commissioners necessary so that the initial election from all districts shall take place at the same time. The ordinance may provide that all commissioners initially elected serve four-year terms or that some serve four (4) years and some serve two (2) years. If some are elected for two (2) years, their successors shall be elected for four (4) years, so that the commissioners have staggered terms. After the initial election, all commissioners shall be elected for four-year terms.

(h) Any city having a population of more than twenty thousand (20,000) according to the last federal census shall have the option of increasing the number of commissioners to seven (7) by ordinance. Upon adoption of such an ordinance, it shall be filed with the county election commission, which shall submit approval of the ordinance to the voters of the city at the next general election or regular city election which follows the filing period required pursuant to 2-3-204(b). If a majority of those voting on the ordinance shall not be for approval, the ordinance shall be null and void. If a majority of those voting on the ordinance shall be for approval, then at the next regular city election, voters shall be entitled to vote for four (4) commissioners, or five (5) commissioners, as the case may be, in order to provide for a total of seven (7) commissioners. If the number of commissioners to be elected is four (4), each shall hold office for four (4) years. If the number of commissioners to be elected is five (5), the three (3) receiving the highest number of votes shall hold office for four (4) years, and the other two (2) for two (2) years. The terms of all commissioners thereafter elected shall be for four (4) years, or until their successors are elected and qualified. An ordinance approved by the voters pursuant to this section may not be repealed or amended. [Acts 1921, ch. 173, art. 2, § 1; Shan. Supp., § 1997a125; Code 1932, § 3522; Acts 1963, ch. 114, § 1; 1967, ch. 79, § 1; 1968, ch. 438, § 1; 1972, ch. 740, § 4(32); T.C.A. 6-20-102. Date of elections.--(a) The first election of commissioners in any city under chapters 18 to 23, inclusive, of this title shall be had on the fourth Tuesday following the election at which the provisions of these chapters have been adopted. The board of commissioners shall fix the date of all subsequent elections, providing that any date so designated shall fall within ninety (90) days of the annual anniversary of the first election of the board of commissioners.

to the date such election is to be held. The presiding officer of the board of commissioners shall certify such election date, or any subsequent change thereto, to the secretary of state.

(c)(1) In addition to the authority granted by subsections (a) and (b) of this section, the board of commissioners may by an ordinance approved by an affirmative two-thirds (2/3) vote of its membership fix the date of subsequent regular municipal elections, as the date of the regular November election as defined in section 2-1-104.

(2)(A) During the transition period, if a term expires six (6) months or less before a regular November election, the board of commissioners may by ordinance extend the length of the term of an incumbent to coincide with the next regular November election.

(B) During the transition period, if a term expires more than six (6) months before a regular November election, the board of commissioners shall fix the date of the election as long as any date so designated falls within ninety (90) days of the annual election anniversary of the first election of the board of commissioners. In such election, the term of office shall be a transitional one which shall extend only until the next regular November election which occurs more than three (3) years after such scheduled election.

(C) After the transitional period, all terms of office for members of the board of commissioners shall be four (4) years.

(D) Nothing in this subsection shall be construed to remove any incumbent from office or abridge the term of any incumbent prior to the end of the term for which an elected official was selected.

(3) The provisions of this subsection shall have no effect unless approved by a two-thirds (2/3) vote of the board of commissioners of any municipality to which it may apply. The presiding officer of the board of commissioners shall certify the approval of this subsection and a timetable of transitional elections which implement this subsection to the secretary of state.

(d)(1) In addition to the authority granted by subsections (a), (b) and (c), the board of commissioners of any municipality incorporated under the general laws of this state and having a population of not less than four hundred fifty (450) nor more than four hundred sixty (460) or not less than four hundred eight-five (485) nor more than four hundred ninety-four (494) which are located in any county having a population of not less than fifty-one thousand two hundred (51,200) nor more than fifty-one thousand three hundred (51,300), all according to the 2000 federal census or any subsequent federal census, may by an ordinance approved by an affirmative two-thirds (2/3) vote of its membership, fix the date of subsequent regular municipal elections as the date of the regular November election as defined in § 2-1-104, by one of the following alternative methods specified in the ordinance:

(A) The terms of office of the incumbent members of the board of commissioners and popularly-elected mayor, if there be one, that would have expired on the date of the first regular municipal election occurring after the

adoption of the ordinance shall be extended to the date of the regular state November election occurring thereafter. The terms of office of the incumbent members of the board of commissioners and popularly-elected mayor, if there be one, that would have expired on the date of the second regular municipal election occurring after the adoption of the ordinance shall be extended to the date of the regular state November election occurring thereafter.

(B) The terms of incumbent members of the board of commissioners, and the popularly-elected mayor, if there be one, that expire six (6) months or less before a regular state November election, shall be extended to the date of that state election. The terms of members of the board of commissioners and the popularly-elected mayor, if there be one, that expire more than six (6) months before a regular state November election shall be filled at the regular city election pertinent to those offices for terms extending to the next regular state November election.

(2) Members of the board of commissioners, and the popularly-elected mayor, if there be one, shall be elected for terms of four (4) years, except for the transitional term provided for in subdivision (d)(1)(B).

6-20-201. Election of mayor--Absence or disability of mayor.--

(a)(1) The commissioners, at the first regular meeting after each biennial election, shall elect one (1) of their number mayor for a term of two (2) years, and thus organized the body shall be known as the board of commissioners.

(2) In cities holding elections every four (4) years under the terms of § 6-20-101(e), the commissioners, at the first regular meeting after the quadrennial election and every two (2) years subsequent thereto, shall elect one (1) of their number mayor for a term of two (2) years, and the body so organized shall be known as the board of commissioners. The provisions of this subdivision shall have no effect unless approved by a two-thirds (2/3) vote of the governing body of any municipality to which it may apply.

(3)(A) [Dependent upon referendum] Cities holding elections every four (4) years under the terms of § 6-20-101 and having a population of not less than one thousand twenty (1,020) nor more than one thousand thirty (1,030) according to a 1987 state certified census, or any subsequent federal census, shall have the option of a popular election of a mayor, to serve four (4) consecutive years, as the board of commissioners directs the county election commission to hold under the provisions of § 6-20-102. Voters shall be entitled to vote for a mayor and two (2) or four (4) commissioners dependent upon those provisions of § 6-20-101 in effect for that city.

(B) The provisions of this subdivision (a)(3) shall have no effect unless approved by a two-thirds (2/3) vote of the governing body of any municipality to which it may apply.

(b)(1) Rather than being elected by the board of commissioners, the mayor may be elected by popular vote if this method of electing the mayor is approved in a referendum in the city. In the referendum, the question on the ballot shall appear in substantially this form:

Shall the mayor of this city be elected by popular vote rather than by the board of commissioners?

The referendum may be called by resolution of the board of commissioners or by petition of ten percent (10%) of the registered voters of the city. The referendum shall be held by the county election commission as provided in the general election law for elections on questions, or the resolution or petition may provide that the referendum be held at the next regular city election.

(2) Once the popular election of the mayor has been approved by a majority of those voting, the board of commissioners shall designate by ordinance one (1) of the commissioner positions as that of mayor. The popular election of the mayor shall take effect at the next election for the position designated. In the mayoral election, the person receiving the most votes shall become the mayor. The term of the popularly elected mayor shall be four (4) years.

(3) In a city that has chosen to elect commissioners from districts and that also has chosen to elect the mayor by popular vote, the board of commissioners shall establish one (1) fewer district than the number of commissioners, and the mayor shall be elected at-large for a four-year term.

(4) The popularly elected mayor shall have the same powers and duties as a mayor chosen by the board of commissioners.

(c) During the absence or disability of the mayor, the board shall designate some properly qualified person to perform his duties. [Acts 1921, ch. 173, art. 4, § 1; art. 7, § 1; Shan. [Acts 1921, ch. 173, art. 4, § 9; Shan. Supp., § 1997a143; Code 1932, § 3540; T.C.A. (orig. ed.), § 6-2013.]

6-20-203. 6-20-204. Compensation of mayor and commissioners.--(a) The salary of the mayor shall not exceed three hundred dollars (\$300) per month, and the salary of each other commissioner shall not exceed two hundred fifty dollars (\$250) per month; except that in cities which have a population of not less than one thousand (1,000) according to the federal census of 1970, or any subsequent federal census, the salary of the mayor shall not exceed five hundred dollars (\$500) per month, and the salary of each other commissioner shall not exceed four hundred fifty dollars (\$450) per month; and provided further, that no increase in the salaries permitted by this section shall become effective unless approved by a two-thirds (2/3) vote of the board of commissioners.

(b)(1) The salary of the mayor and commissioners shall be set by the board of commissioners. In cities with a population of less than one thousand (1,000), however, the salary of the mayor shall not exceed five hundred dollars (\$500) per month, and the salary of each commissioner shall not exceed four hundred fifty dollars (\$450) per month. In cities with a population of one thousand (1,000) or more, the salary of the mayor shall not exceed one thousand dollars (\$1,000) per month, and the salary of each commissioner shall not exceed nine hundred fifty dollars (\$950) per month. No increase in salaries of the mayor and commissioners shall be effective unless approved by a two-thirds (2/3) vote of the members to which the board of commissioners is entitled.

Populations referred to in this section shall be as determined by the latest federal decennial census.

(2) The provisions of this subsection shall only apply in counties having a population of not less than four hundred seventy thousand (470,000) nor more than four hundred eighty thousand (480,000) according to the 1980 federal census or any subsequent federal census.

(c)(1) Notwithstanding the limits established in the preceding subsections, the salaries of the mayor and commissioners may be established annually by the board of commissioners at the time of adoption of the annual operating budget; provided, however, that such salaries shall not be increased or diminished prior to the end of the term for which such officials were elected.

(2) The provisions of this subsection shall become effective upon approval by a two-thirds ($\frac{2}{3}$) vote of the board of commissioners. [Acts 1921, ch. 173, art. 4, § 4; Shan. Supp., § 1997a136; mod. Code 1932, § 3533; Acts 1968, ch. 541, § 1; 1977, ch. 238, § 1; T.C.A. (orig. ed.), § 6-2015; Acts 1989, ch. 579, §§ 1, 2; Acts 2001, ch. 141, § 1.]

(a) The legislative and all other powers except as otherwise provided by this charter are delegated to and vested in the board of commissioners. The board of commissioners may by ordinance or resolution not inconsistent with this charter prescribe the manner in which any powers of the city shall be exercised, provide all means necessary or proper therefor, and do all things needful within or without the city or state to protect the rights of the city.

(b)(1) Any member of a local governing body of a county or a municipality who is also an employee of such county or municipality may vote on matters in which he has a conflict of interest if the member informs the governing body immediately prior to the vote as follows: "Because I am an employee of (name of governmental unit), I have a conflict of interest in the proposal about to be voted. However, I declare that my argument and my vote answer only to my conscience and to my obligation to my constituents and the citizens this body represents."

(2) In the event a member of a local governing body of a county or a municipality has a conflict of interest in a matter to be voted upon by the body, he may abstain for cause by announcing such to the presiding officer. Any member of a local governing body of a county or municipality who abstains from voting for cause on any issue coming to a vote before the body, shall not be counted for the purpose of determining a majority vote.

(3) The vote of any person having a conflict of interest who does not inform the governing body of such conflict as provided in subdivision (1) of this subsection shall be void if challenged in a timely manner. As used in this subdivision, "timely manner" means during the same meeting at which the vote was cast and prior to the transaction of any further business by the body.

(4) Nothing in this subsection shall be construed as altering, amending or otherwise affecting the provisions of § 12-4-101(a). In the event of any conflict between this subsection and § 12-4-101(a), the provisions of § 12-4-101(a) shall prevail. [Acts 1921, ch. 173, art. 4, § 5; Shan.
