Attach a copy of the parts and/or labor receipt(s).

Note: Adjustments for sewer charges are given when leaks occur during Non-Average Billing Program Months only. Credits for sewer for leaks where water entered the sewer system are not given (e.g., toilet, faucet, etc.). Credits are available only for situations such as busted pipes underneath the house, busted piped in the yard, etc., or situations where water did not enter the sewer system. NOTE: the average billing months are April through November. It is recommended pools are filled during average billing months only.

I/We acknowledge the above-mentioned repairs were made and understand the policies outlined on this form. If required or requested, I/we understand plumbing repairs may be inspected in order to assure compliance.
