

Empower Retirement Enrollment

Enroll online & Complete for payroll deductions

www.empower-retirement.com

I have enrolled online and selected my investment options with www.empower-retirement.com. I have also set up my beneficiaries with Empower. The online selections will **always** override any form on file.

In order to ensure the payroll deductions are correct, please deduct the following from my bi-weekly paycheck.

Options: 401(k) fixed amount or percent; 401(k) Roth fixed or percent; or 457 (b) fixed amount or percent. You could put money in all 3 options.

1. _____ **401 (k)** flat amount \$ _____ (pre-taxed amount)
_____ **401 (k)** percent _____ % (pre-taxed amount)

Or:

2. _____ **401 (k) Roth** flat amount \$ _____
_____ **401 (k) Roth** percent _____ %

Or:

3. _____ **457 (b)** flat amount \$ _____ (pre-taxed amount)
_____ **457 (b)** percent _____ % (pre-taxed amount)

If I wish to change my payroll deductions, I will complete another form and make changes online.
